

LCSA Tournament of Champions (TOC) Eligibility Guidelines

The following guidelines will be applied to all Girls and Boys U9 and up age groups. Selection for the TOC will be based on the following criteria only at the time TOC entries are due:

- U9 Teams will be considered no matter what their division. Teams must have a record of 0.500 or better
- U10 and up Teams must compete in Division 1 with a record of 0.500 or better. If there aren't any eligible Division 1 teams, lower division teams may become eligible. The bid will go to the Division 2 team who meets the previously listed criteria.
 - If multiple Division 1 teams exist, the team with the highest winning percentage above 0.500 will be selected.
 - If multiple teams within Division 1 finish the season with the same record, the result of the head-to-head match will serve as the tiebreaker. If head-to-head is tied then the two teams will play a game to determine who gets the TOC invitation. Play-in game will go to penalty kicks if tied at the end of regulation.
 - If there is an eligible Division 1 team, and a Division 2 team finishes the season undefeated, the board may consider scheduling a playoff game between the Division 1 and Division 2 teams for entry into the tournament. The Division 2 team must finish the season undefeated to be considered.
