

# SPIRIT OF THE GAME

At the ages of U4 - U6 the primary objective is to introduce children to the game of soccer and begin to teach them game fundamentals and skills. We officially do not keep score at these age groups as this is intended to be an introduction and learning experience, not a competitive situation.

We also encourage teams to **NOT** position any player as a Goalkeeper, to reinforce this belief we will have instituted the Goal Box rule outlined below. All four players on the field should participate in the overall attack or defense in order to work on foot skills, passing, formations and enjoyment of the game.
